May	7 th – Y4 Parents multiplication meeting 8 th – EIFA coffee afternoon 9 th – Y1 Class café 13 th – Y6 SATS week 22 nd – Anti-bullying workshop Y6

School clubs

It has been a super busy week with all the new after school activities. We hope that the children have enjoyed taking part in their allocated clubs. If your child has not been given a place this term, please note that we plan to run a similar range of activities in the autumn term.

Year 2 Class trip to London

Year 2 had a very exciting day out of school on Tuesday this week. They went on a trip to London where they visited The Monument and walked along Pudding Lane. The next stop was Tower Bridge where they walked across the walkway of the bridge and saw many London landmarks. Everyone was very brave walking across the glass floor of the walkway! After that, the children then walked past the Tower of London and travelled by boat trip along The River Thames. They had an amazing time and consolidated what they had been learning about The Great Fire of London.

Year 5 and 6 Girls Football Tournament

Some of the Year 5 and 6 girls participated at a girl's football tournament at Abbey Stadium this morning, hosted by Cambridge United. They perfectly represented the school demonstrating all of our values, especially being resilient, caring and inclusive. Considering it was the second time they had all played together, they worked well as a team. They came 6th out of 8 teams, overall, they scored 8 goals. We are really proud of them and we are looking forward to seeing more of the girls from year 5 and 6 play in football tournaments.

Absences – new email address

Could we please remind parents to use the new attendance email address, attendance@icknielprimary.org to inform us of a child's absence to let us know if your child is not going to be in school and why. Parent and carers are required to inform the school if their child is unable to attend on the first day of absence before 9:25am and update us every day of illness after that. Thank you.

Solar Panel update

Next week we will be having the final stages of work completed on the roof following the installation of the solar panels in July. From Monday there will be some areas cornered off in the Year 5 and 6 playground while this work is taking place.

Dates for the Summer term

Please keep an eye out for the termly diary dates for the Summer term which your children should be bringing home with them today. There is so much going on that it is important we keep you in the picture as much as possible. This hard copy can be pinned to your notice board or behind a fridge magnet so that it is easily accessible.
