Sports Day

Please don't forget that our rescheduled Sports Day takes place on Wednesday next week, 26th June. Fingers crossed the summer will arrive and we will be able to enjoy some activities together.

Children should come to school in their PE kits on Wednesday ready for the events. Reception, Year 1 and Year 2 events will take place during the morning from 9:15am and should be finished by 11:30am.

Years 3, 4, 5 and 6 events will be in the afternoon from 1.10pm to 2.50pm.

Triathlon Club

Please note that there will be no Triathlon club after school next week due to the Summer Fete taking place.

Y3 & Y4 Bikeability

Parents of pupils in years 3 and 4 who have signed up for Bikeability training are reminded that children will need to bring in their bikes and helmets on Friday 28th June. They will be learning safe cycling on the school playground and the wearing of helmets is compulsory.

FIPS Summer Fete

The fantastic FIPS team are holding their annual summer fete on **Friday 28th June from 5 - 8pm**. There will be an array of wonderful stalls and events taking place so please come along and join in the fun. Why not bring a picnic and settle down on the school field whilst your children enjoy all the activities. There will be a bouncy castle, a teddy tombola and a licensed bar so fingers crossed the sun will be shining and we can enjoy this super event. FIPS are asking for teddy donations – please drop off any cuddly friends that you no longer need at the school office so that they can find a new home!

Year 2 Tagtiv8

Tagtiv8 games are an active way of learning English and Maths and takes children out of the classroom and into the playground. You will see from these photos that Year 2 have been thoroughly enjoying some 'Tagtiv8' learning this week.

Year 5 visit to The Whipple Museum

On Tuesday Year 5 visited The Whipple Museum in Cambridge. They found out about how the way we see the universe has changes and had a closer look at the museum's collection of globes. Badgers enjoyed making their own miniature portable orrery to help them remember how the moon moves around the earth and the earth around the sun.

E-Safety

On Monday, Key Stage 2 classes learnt about how to be safe online. The 'Two Johns' gave an insightful session on using the internet safely and responsibly. Children are now more confident talking to an adult about things they see online that they are concerned about.

Scooterbility

Years 1 and 2 will be taking part in an exciting day with the Scooterbility team. On Monday 1st July the children will be out on the playground learning how to balance, steer and navigate obstacles on the scooters. Helmets and pads will be provided!
