June	1 st – Pupils return to school

Summer term dates

Children will have brought home a diary of all the events taking place during the Summer term. The aim of this is for you to pop it under a fridge-magnet on your fridge so you can easily refer to it to see what is going on in school.

This is a really busy term, and it is so easy to miss something so we hope that this easy to refer to guide will help.

Year 2 visit to London

It was a beautiful sunny day when Year 2 ventured off to London last week. They had a very exciting day including a journey along the Thames before walking across the glass floor bridge at The Tower of London.

Year 5 Assembly

It was so lovely to see so many parents at this week's Year 5 class assembly. They performed a piece as Gods from Greek myths and showed us how they do 'Bus Stop' long division. Mrs Zarate has obviously been working them hard as their Spanish language skills were excellent– the assembly ended with a song which they sang to everyone in Spanish – “Muy bien ano cinco”

Challis Garden Spring Market

Our friends at Challis House have told us of their Spring Market which is taking place on Saturday 2nd May from 10:00am – 2:00pm. There will be craft stalls, children's activities, homemade cakes, plants and many more. The purpose of this market is to raise funds to refurbish the garden paths, to make them more disabled-friendly.

Free Bike Health Checks

As the weather warms up, children will be out and about more often on their bicycles. This may be a really good opportunity for you to check that their bikes are roadworthy.

Mark Leaney is an owner and mechanic, based in Shelford, who is offering free health checks so that you can be certain that everything is safe and in good working order. Mark says he will try to be as flexible as he can be with appointments and warns that any parts will cost extra.

Call him on 07432 113798 or email revolutioncyclerepairs@gmail.com to make an appointment.

Linton Children's Book Festival

The Linton Children's Book festival takes place later in May – see this poster for details.
